Tájékoztatjuk, hogy a KFC termékekben található allergénekre vonatkozó információk beszállítóink nyilatkozata alapján történik. Minden tőlünk telhetőt megteszünk annak érdekében, hogy korlátozzuk az allergéneket az általunk felszolgált ételekben. Mivel a konyhában különféle termékeket használunk az ételek elkészítéséhez, lehetséges a keresztszennyeződés, így az allergének ételről ételre terjedhetnek. Ezért a termékeink tartalmazhatnak: **glutént, szóját, diófféléket, mogyorót, szezámmagot, tejet, tojást, halat, rákféléket, zellert, kén-dioxidot, mustármagot, puhatestűeket és csillagfürtöt**. Az információ kiadásának dátuma: 2024. május 7.

We kindly inform you that the information concerning allergens in KFC products are based on declaration provided by our suppliers. We do our best to limit allergens in dishes you are served with. As we use various products to prepare dishes in the kitchen, cross contamination is possible resulting in passing allergens from dish to dish. Thats why our products can contain: **cereals contain gluten, soya, nuts, penaunts, sesame seeds, milk, egg, fish, crustaceans, celery, sulphur dioxide, mustard seed, molluscs and lupin**. The information contained herein is valid as of press release: 7th May 2024.

▲ – a termék tartalmazza a fenti allergént / **product contain this allergen** - termék nyomokban tartalmazhatja a fenti allergént / **product may contain this allergen** n/a – nincs adat / **no data**
